

Professor

Ilias Papathanasiou

PhD, MSc, BSc (Hons), BEd, BSc, FRCSLT, ASHA Fellow MCSP, SRP

**14 Momferatou Street
GR 11473 Athens
Greece**

Tel +30 210 6437672

Mobile: +30 6946755400

E-mail: jpapatha@otenet.gr

Dob: 5th November 1966

EDUCATION:

- 1984-1987 Technological Educational Institute (T.E.I.), Salonica, Greece
School of Health and Social Provision. Department of Physiotherapy.
Bachelor of Sciences in Physiotherapy, (Grade 2.1)
- 1987-1989 Pedagogical Academy of Salonica, Greece
Bachelor of Education, (Grade 2.1)
- 1989-1993 University College London - National Hospital's College of Speech Sciences.
Bachelor of Sciences (Hons) in Speech Sciences (Grade 2.2)
- 1993- 1995 St George's Hospital Medical School, University of London
Master of Sciences in Health Sciences
Dissertation: Perceived stigma among patients with spasmodic dysphonia and spasmodic torticollis before and after Botulinum Toxin injections.
Grade: Distinction.
- 1996-2002 Institute of Neurology, University College London, University of London
Doctor of Philosophy in Medicine (Clinical Neurology Studies)
Area of research: Writing and its recovery after stroke: A neurophysiological and behavioural investigation

Awards

- 2008 **Fellow of the Royal College of Speech & Language Therapists** , UK, for my contribution to the profession of Speech and languagetherapy
- 2013 **Certificate of merit from American Speech Language Hearing Association (ASHA)** for the contribution to the editorial board of the Perspectives SIG 17 on Global Issues
- 2014 **Fellow of the American Speech Language Hearing Association (ASHA)**
- 2018 **Meritorious Poster Award** ASHA Convention
- 2020 **Certificate of Recognition for Outstanding Contributions in International Achievement of the American Speech-Language-Hearing Association (ASHA)**

WORK EXPERIENCE

Current post :

- Professor in Speech and Language Therapy- Speech and Language Pathology, Dept of Speech & Language Therapy, University of Patras, specialized on “Speech and Language Therapy and Aphasia” : *Responsibilities include: teaching undergraduate courses, clinical supervision and clinical training, supervision of student projects, research activities and related administrative duties (tenured granted on 1 Dec 2004)*

And

Visiting Professor, University ENT Department and A' University Department of Psychiatry (section child psychiatry), Medical School, National Kapodistreian University of Athens: responsibilities include : Running the Voice and Swallowing Clinic, the Neurology Clinic and the Vocal artists Clinic, the University Child psychiatry unit, teaching postgraduate courses and supervising doctoral students

- Private Practitioner in Speech and language Therapy since February 2003
- Research associate , ENT University Department, Medical School, University of Crete
- Faculty member for the course on “Aphasia”, in the postgraduate program in Clinical Neuropsychology organized by the University Department of Neurology, Medical school, National Kapodistreian University of Athens in conjunction with The University of Texas Medical School at Houston , USA
- Research Associate at the Dept. Of Clinical Rehabilitation , Medical School, University of Patras

Previous work I experience:

- **1987 - 1988** Junior Physiotherapist. St Dimitrios General Hospital, Salonica, Greece
- **1988 - 1989** Co-ordinator physiotherapist in the community programme «Sports and people with Disabilities”, Local Authority of Salonica, Greece.
- **1989 - 1990** Teacher at St Barnabas Greek School, London
- **1990 - 1993** Senior I Physiotherapist for People with Learning Disabilities, The Royal London Trust, London.
- **1994 - 1995** Research Speech and Language Therapist and Physiotherapist, National Hospital for Neurology and Neurosurgery and National Hospital's College of Speech Sciences.
- **1996 –2002** Research Fellow in Speech and Language Therapist and Physiotherapist, National Hospital for Neurology and Neurosurgery and Institute of Neurology, University of London. London UK AND Senior Speech and Language Therapist (Grade 2: Spine points 33) at the Stroke Unit, Homerton Hospital. London, UK
- **2002-2009:** Clinical assistant Professor, Department of Speech and language Therapy, Technological Educational Institute of Patras, Greece specialized in Speech and language Therapy- Speech and language pathology
- **2009-2011:** Assistant Professor, Department of Speech and language Therapy, Technological Educational Institute of Patras, Greece specialized in Speech and language Therapy- Speech and language pathology
- **2013-2018:** Associate professor Department of Speech and language Therapy, Technological Educational Institute of Western Greece, Greece specialized on “speech and language therapy and aphasia”

Professional Qualifications:

Member of Royal College of Speech and Language Therapists (RCSLT), UK. (No 9664)

State Registered Speech & Language Therapist, UK (No SLT2666)

Member of Chartered Society of Physiotherapy, UK (No 50235).

State Registered Physiotherapist, UK (No PH39523)

ASHA international Affiliate Member

.

Professional Membership:

Elected member of the Academy of Aphasia

Member of the Special Interest Group in Adults Neurology for Speech and Language Therapists, RCSLT, UK

Member of the Brain Research Association

Full member of the Academy for Neurogenic Communication Disorders and Sciences

International Association of Logopedics and Phoniatics (IALP)

International Association of Logopedics and Phoniatics (IALP)- Aphasia Committee

International Affiliate Member of the American Speech Language Hearing Association

Member of the European Society for Neurosciences

Member of the Hellenic Society for Neurosciences

TEACHING EXPERIENCE

A. Teaching and course organised and undergraduate and postgraduate level

1996-2002- Clinical tutor in Clinical placements, Dept. of Human Communication Sciences, University College London, University of London

2002 - (Ongoing): Undergraduate courses taught at the Dept of Speech & Language Therapy, Technological Institute of Patras

- Aphasia and related language Disorders
- Voice Disorders
- Cognitive communication disorders
- Advance topics in aphasia
- Clinical placement at the University Regional Hospital of Patras (7 years) Clinical placement- Organization of the following Clinics for the purpose of educating the students of the Speech Therapy department
 - Aphasia self helpgroups
 - Organization of Clinical Voice in collaboration with the University ENT Clinic
 - Organization of Clinical Dysphagia and Swallowing Video X-ray in collaboration with the University Laboratory of Radiology
 - Organization of a Rehabilitation team for people with laryngectomy in collaboration with the University ENT Clinic

Also supervising undergraduate student projects and the BSc projects presentation committees. (Since September 2002, I have supervised more than BSc projects)

2011- Teaching at the European School of Speech Therapy a series of lectures on Speech Therapy

2015- Teaching and organization of the course "Hearing and voice disorders in the performing arts" at the Medical School, National Kapodistrian University of Athens

B. Teaching and organization of courses at postgraduate level

2003-8 Teaching in the postgraduate MSc program "Dyslexia in a multilingual environment" "Dyslexia: Multilingual environment and the use of New Technology in its treatment" of the Department of Speech Therapy of the University of Ioannina in collaboration with the Department of Speech Therapy of ATEI Patras λ ». Co-responsible for student assessment

2005 Teaching in the MSc program "Special Education" of the University of Macedonia on "Parameters in the diagnosis and rehabilitation of communication disorders in people with disabilities"

2008-2014 Member of the teaching team in the course "Aphasia" in the MSc program in "Clinical Neuropsychology" which is organized by the University Clinic of Neurology of the medical school of the National Kapodistrian University of Athens in collaboration with the University of Texas Medical School at Houston, USA

2012 Teaching a course on "Speech and language disorders" in the MSc program "Deaf Studies" at the Pedagogical Department of Primary Education of the University of Patras

2016-2019 Teaching and organization in the

- MSc course "Sciences of Rehabilitation" of the TEI of Western Greece of the courses:
 - i. Introduction to the sciences of Rehabilitation
 - ii. Aphasias and related language disorders
 - iii. Swallowing disorders (organization only)
 - iv. Neurogenic speech motor disorders (organization only)
 - v. Evidence based clinical practice in Speech and Language Therapy
 - vi. Cognitive Language Communication Disorders
- MSc course in Audiology-Neurotology, Medical School, National kapodistreian University of Athens
 - i. Introduction to Cognitive Sciences and Communication Sciences

C. Supervision of postgraduate and doctoral dissertations

1. Supervision of completed postgraduate dissertation:

- a. Postgraduate program in Museum Sciences of the Department of Archeology of the National Kapodistrian University of Athens entitled "Access to museums in the region of Thessaly for people with communication disorders" by Kontonika Georgia
- b. Postgraduate program in Rehabilitation Sciences of the TEI of Western Greece:
 - i. "The validation of the Voice Handicap Index for singers in the Greek population" by Giannopoulou Joanna
 - ii. "The validation of the Social Stigma Scale in people with dysphonia" by Malahati Angeliki

- iii. "The effect of training in tone perception in Greek orthodox church chanters" by John Papakostopoulos
- iv. "The acoustic characteristics of speech in people with hyperfunctional dysphonia" By Rena Deliaslanidou

2. Supervision of doctoral dissertations

- Evangelia Antonia Efstratiadou: "Aphasia therapy in Greek: an efficacy study" at the Dept of language and Communication Sciences, City University, London (co-supervisor) - completed in 2017
- Christos Papatzalas: "Language evaluation during awake craniotomy" Department of Neurosurgery, Medical School, University of Thessaly, (co-supervisor)- completed in May 2021
- Joanna Giannopoulou: "Patients factors related to cognition and voice therapy outcome"- main supervisor
- Spyros Baltas- "Epidemiology of communication disorders in Greece" – main supervisor

3. Member of the examination committee for doctoral dissertations

- a. Ioannis Papakyritsis: "Acoustic and Perceptual Effects of Dysarthria in Greek with a Focus on Lexical Stress" at the University of Louisiana at Lafayette, 2013,

MANAGEMENT EXPERIENCE

A. Participation in government agencies

- 2004-2016: Advisor (main staff) on health professions at the National recognition Institute of Professional Degrees of the Ministry of National Education and
- November 2003 –Reviewer of the Archimedes I and II research infrastructure programs for the Field of Speech and Language pathology.

B. Administrative leadership positions at the University

- Elected member of the University Governing Council of the TEI of Western Greece (2014-2015)
- Head of the Speech and Language Therapy department of the TEI of Western Greece (September 2013- March 2014)
- Depute Head of the Speech and Language Therapy department of the TEI of Western Greece (from September 2016)
- Alternate member of the research committee of the TEI of Western Greece (since December 2016)
- Member of the Quality Assurance Committee of the TEI of Western Greece (since December 2016)
- Director and member of the coordinating committee of the Interdepartmental MSc Program of the TEI of Western Greece in "Rehabilitation Sciences" (from September 2015 until 2019)
- Alternate member of the Senate of the University of Patras Greece (since September 2019)
- Member of the University Research Committee of University of Patras Greece (since September 2019)
- Founder and director of the interprofessional MSc in Rehabilitation Sciences at the University of Patras, responsible for developing the curriculum , managing budget and staffing.

C. Participation in committees of development and reviewing programs internationally

- Member of the review international committee of the MSc program in Speech and language Pathology of Educational University of Hong Kong
- Member of the international advisory committee for the development of the first Speech and Language pathology program at the Kamuzu University Of Health Sciences, Malawi
- Member of the international advisory committee for the revision of the curriculum of our graduate program in Speech-Language Pathology College of Allied Medical Professions University of the Philippines - Manila

D. Organization of scientific conferences and meetings

- Co-organizer of the Summer Intensive Program in Speech and Language Therapy for Speech Therapy students, August 2013, Patras, Greece
- Chairman of the Organizing Committee of the 28th International Conference of the International Association of Logopedics and Phoniatics (IALP), which will take place on 22-26 August 2010, Athens, Greece
- Chairman of the local organizing committee of the 48th conference of the Academy of aphasia, October 2010, Athens, Greece
- Chairman of the Scientific Committee of the 13th International Aphasia Rehabilitation Congress, June 29 - July 2, 2008, Ljubljana, Slovenia
- Member of the Organizing Committee of the 1st International Symposium of Voice and Swallowing, April 20-22, 2007, Athens, Greece
- Chairman of the Organizing Committee of the 11th International Aphasia Rehabilitation Congress, 6-9 July 2004, Milos, Greece
- Member of The International Advisory Committee, 10th International Aphasia Rehabilitation Congress, Brisbane Australia, 24-27 July 2002
- Vice-Chairman of the Organizing Committee of the Second European Research Conference "The Sciences of Aphasia", 13-17 September 2001, Giens, France
- Chairman of the organizing committee of the First European Research Conference "The Sciences of Aphasia", 8-13 September 2000, Crete, Greece. The Proceedings of this conference were published in a Special Edition of the International Scientific Journal of Neurolinguistics.
- Chairman of the organizing committee of the SIG Adult Neurology International Study Day, London 17 September 1998

E. Board Memebership of National and International Organisations:

- Board member and chair of the Education committee for Speech and Language Pathology and Audiology of the International Association of Communication Disorders and Sciences (IALP) for 2019-2022
- Member of the Honors Committee of the Academy of Neurogenic Communication Disorders and Sciences (ANCDS) (2018-22)
- Member of the Writing Committee for Motor Speech Disorders of the Academy of Neurogenic Communication Disorders and Sciences (ANCDS) (2016-)
- Member of the International Issues Board of the American Speech Hearing Language Association (ASHA) 20014-2016
- Vice President of IALP (International Association of Logopedics and Phoniatics) for 2007-2010
- Founder and Chairman of the European Forum on the Sciences of Aphasia, (elected following the award of a grant of 112000 euro by the European Social Fund to set up and organize the series of European Research Conferences on Aphasia)

- Chairman of the Special Interest Group in Adults Neurology for Speech and Language Therapists- South East England for 1996-97, 1997-98, 1998-1999
- Local Co-ordinator of the Association of Chartered Physiotherapist for people with Learning Disabilities North East Thames Region (1992-1994)

RESEARCH AND SCIENTIFIC ACTIVITIES

A. Grants

Completed grants

- Greek State Scholarship Foundation: Research program “Strengthening Human Resources Potential Doctorate Research”. Research grant of 40000 euro for PhD research of Christos Papatzalas on the topic “Language evaluation and mapping during awake craniotomy” Duration 1/04/2018- 31/3/2021
- Research Program THALIS: «Aphasia in Greek Language: Deficits, lesion site and rehabilitation». Interdisciplinary research grant of 1652000 euro. Duration: 01/01/2012 – 30/09/2015
Grant Holder and coordinator of Speech and Language Therapy team: Dr Ilias Papathanasiou (Amount allocated to SLT team 580000 euro)
- PhD studentship of 64000,00 UK pounds for Ms Eva Eftratiadou in the topic “Direct and indirect therapy approaches to aphasia in Greek”. City University London, UK, Joint grant with DR katerina Hilari, City University, London , UK
- Slovenian Higher Education Agency, Republic of Slovenia and University of Ljubljana, Development Grant of 65000, 00 euro for the development of graduate courses and international clinical workshops at the faculty of Education and University of Ljubljana for the period 2012-2015
Grant Holder: Dr Damjana Kogovšek, University of Ljubljana and Dr Ilias Papathanasiou, TEI Patras
- *“The neurophysiology of recovery of motor control in aphasic hemiplegic patients”*
Grant of £50314,00 awarded by the Stroke Association to commence in January 1998 for one year.
Grant holder: Dr Ilias Papathanasiou, Dr Marjan Jahanshahi & Dr John Rothwell
- *“Recovery of Function in Acquired Aphasic Agraphic Hemiplegic Patients”*
Grant of £38820, 00 awarded by the Stroke Association in January 1996 for two year.
Grant holder: Dr Ilias Papathanasiou and Dr Renata Whurr
- European Research Conferences: The Sciences of Aphasia
Grant of £50000,00 awarded by the European Social Fund to organise two scientific research conferences.
Grant holder: Dr Ilias Papathanasiou
- Wellcome Trust Travel Fellowship
Grant of £3500,00 following invitation of Prof. Bruce Murdoch to visit for two months the Department of Speech Pathology and Audiology, University of Queensland, Australia to participate in the research projects investigating various aspects of brain function in language using neurophysiological methods.
Grant holder: Dr Ilias Papathanasiou (percent effort 100%)

- Grant of 10000 Euro from S& B Industrial Minerals for the preparation of the candidacy of Greece to host the 28th World Congress of the International association of Logopedics and Phoniatrics InAthens in 22-26 August 2010

Grant Holder and chair of the organizing Committee: Dr Ilias Papathanasiou

B. Participation in research and educational programs

- ☒ Chair of the Education committee for Speech and Language Pathology and Audiology of the International Association of Communication Disorders and Sciences (IALP) currently developing
 - The SLP global education guidelines for SLP initial education
 - The global professional competences for newly qualified SLP based on the WHO Rehabilitation framework competences
 - The Audiology global education guidelines for Audiology initial education
- Member of the World Health Organization (WHO) working group for the development of packages of intervention for Spinal Cord Injury
- Member of the research program REhabilitation and recovery of peopLE with Aphasia after Stroke (RELEASE) of the Cost European Action “Collaboration of Aphasia Trials- CATs Action”. (<https://www.aphasiatrials.org/release/>)
- Member of the Advisory Committee of the international organizations Aphasia United and member of the writing committee of the international standrads for the best clinical practice for people with aphasia of the same organization. (<http://www.aphasiaunited.org/>)Release
- Member of the management committee of the Cost European Action “Collaboration of Aphasia Trials- CATs Action”. It is a paneuroepan network which is funded by EC to evaluate the aphasia trials
- Participation at the multicenter international research program « The validation of the International Classification of Functioning (ICF) Core Sets for Head and neck Cancer» which was financed of eth World Health Organization and the University Ludwig-Maximilian Munchen, Germany
- Participation at the program EPEAK II: «Reorganization of undergraduate courses: Undergraduate program of study at ATEI Patras» from 1/4/2003 to 31/8/2005. Responsible for the reorganization of the course on “aphasia and related disorders “ and Clinical Practicum 4” of eth Department of Speech and Language therapy TEI Patras.
- Participation at the program Archimedes I . Program director Dr ArhontoTerzi
- Participation at the program ERASMUS of TEI Patras for student exchange with the Department of Logopedics, Ghent University, Belgium and the University of Malta. Teaching classes on Aphasia at Ghent University at the academic years 2007-8 & 2008-9 and the University of Malta for the academic year 2008-2, classes on voice at Lessious University Belgium for the academic year 2010-11 and FH Joanneum University, Graz Austria for the academic year 201-12
- Greek representative at the European Program : Network Tuning Standards & Quality of Educational Programs for Speech-Language Therapy in Europe (NetQues), organized by the CPLOL (European Organization in Speech and Language Therapy)
- Scientific Coordinator of the Research program on “Assessment of Aphasia” for the Slovenian association of Logopedics. Funded by the Institute of rehabilitation, Slovenia, aiming to develop assessment tools for people with Aphasia in Slovenian Language.

C. Current Research activities

- *Aphasia in Greek* in collaboration with the University of Athens, specifically with the Dr katerina Hilari (City University London), Neurology Department, Medical School, (collaborators Dr Costas Potagas and Dr Ioannis Evdokimidis), Department of Linguistics (Dr Spyridoula Varlokosta), Department of Psychology (Dr Alexadra Economou)
- *Aphasia in Slovenian Language* with collaborators from the Institute of Rehabilitation, Ljubljana, Slovenia
- *Greek version of the Aphasia Screening Test (Whurr 1996)* (publications under preparation)
- *Acoustic properties of Voice and speech in Greek* with the ENT Department, Medical School, University of Athens (collaborators Dr Athanasios Protopappas & Dr Athanasios Bibas)
- *Voice problems in performers* with the ENT Department, Medical School, University of Athens (collaborators Dr Kostas Pasiadis & Dr Athanasios Bibas)
- Language evaluation during awake craniotomy With the department of neurosurgery, Medical school, university of Thessaly (collaborators Prof Kostas Foyntas and Prof Eytychia kapsalaki)

OTHER SCIENTIFIC ACTIVITIES

A. Editorial Board

- Aphasiology
- Communication Disorders quarterly
- Clinical Archives of Communication Disorders (Official journal of the The Korean Association of Speech-Language Pathologists)
- Perspectives on Global Issues in Communication Sciences and Related Disorders- American Speech language Hearing Association(ASHA) Special division 17 (2013-20)
- International Journal of Language and Communication Disorders (book review Editor) (2011-2015)
- Folia Phoniatica et Logopedica (2006-2010)

B. Ad Hoc Reviews: Papers for submission to journals

- Brain and Language
- Aphasiology
- Communication Disorders quarterly
- Journal of Psychosomatic Research
- Journal of Medical Speech & Language Pathology
- International Journal of Language and Communication Disorders
- Journal of Movement Disorders
- Journal of Neurology, Neurosurgery and Psychiatry
- Health Psychology
- Folia Phoniatica et Logopedica
- British Medical journal
- Clinical Phonetics and Linguistics

C. Reviews: Papers for presentations to conferences

- Convention Program Committee on Global Issues and Practice for ASHA 2020 Convention
- Convention Program Committee on Voice Disorders for ASHA 2018 Convention

- Convention Program Committee on Hot issues on the profession of SLP and audiology for ASHA 2018 Convention
- Convention Program Committee on Language Disorders in Adults for ASHA 2016 Convention
- 28th International Congress of the International Association of Logopedics and Phoniatrics
- First European Research Conference “The Sciences of Aphasia: From therapy to theory”
- Second European Research Conference “The Sciences of Aphasia: From theory to therapy”
- 10th International Aphasia Rehabilitation Conference
- 11th International Aphasia Rehabilitation Conference
- 13th International Aphasia Rehabilitation Conference

D. Invited Lectures- keynote addresses:

- “Laterality and the Production of Writing: New Issues in the Rehabilitation of Aphasia”, Lecture given at the Faculty of Medicine, Department of Neurology and the School of Logopedics, RWTH, Aachen, Germany, on 23 November 1995.
- “Written language and its pathology in adults”, Lecture given in School of Speech Therapy, Technological Educational Institute Patras, Greece on 15 January 1998.
- “Recovery of function in Aphasia”, Lecture given at the Faculty of Communication Sciences and Disorders, Texas Women University, Dallas, Texas, USA on 17 November 1998.
- “Disorders of writing in Aphasia” Lecture given at the Faculty of Speech & language Pathology and Audiology and the Faculty of Department of Neurology, New York University, New York on 13 April 2000
- “The neurophysiology of recovery of function in aphasia” *Keynote address* given at the First European Research Conference “The science of Aphasia”, 8-13 September 2000, Crete, Greece
- “Mechanisms of plasticity and recovery in Aphasia” Lecture given at the Faculty of Speech & language Pathology and Audiology, Temple University, Philadelphia, 16 November 2004
- “Disorders of Communication and swallowing” Invited presentation at the 3rd Symposium of Physical Medicine and Rehabilitation, Athens 23 November 2004
- «Disorders of swallowing” invited seminar to Neurological Society of Luxemburg. 31 January 2007
- Seminar «Basic Voice Sciences” at the 1st International Voice and Swallowing Symposium, Athens, Greece, 20-22 April, 2007
- “The voice and swallowing practices in Greece. The need for the future” at the 1st International Voice and Swallowing Symposium, Athens, Greece, 20-22 April, 2007
- «The portrait and History of International Aphasia Rehabilitation Conferences» Keynote address given at the 13th International Aphasia Rehabilitation, 29 June – 2 July 2008, Ljubljana, Slovenia
- “Recovery of function in aphasia: from neuron to behavior” Invited lecture at McGill University, November 11th, 2008 and at Jewish Hospital- CRIR Canada November 12th, 2008
- “Approaches of aphasia management in the 21st century”. Keynote address at the European Speech and Language Therapy Day at the University of Malta, 6 March 2009
- « Evidence based practice in Speech and Language Therapy» Keynote address given at the 3rd Slovenian Congress of Logopedics, 10-12 November 2011, Portoroz, Slovenia
- “The state of SLP Profession in Europe.” Invited keynote address at the ASHA SIG 17 Short course “Challenges in Service Delivery Spanning Five Continents” at the Annual American Speech Hearing language Association (ASHA) Convention 12-14 November 2015, Colorado, USA

- “Models of aphasia therapy” Keynote address given at the 3th International Aphasia Conference, 17-18 June 2016, Mexico City, Mexico
- “Efficacy of aphasia therapy” Keynote address given at the 3th International Aphasia Conference, 17-18 June 2016, Mexico City, Mexico
- “ICF and Clinical Education” invited presentation by the American Speech Hearing Language Association (ASHA) at the 30th World Congress of the International association of Logopedics and Phoniatics, 21-25 August 2016, Dublin, Ireland
- Key note discussant on “Impact of Forced Migration on Communication and Social Adaptation” at the 31th World Congress of the International association of Logopedics and Phoniatics, 18-22 August 2019, Taipei, Taiwan
- Key note address on “Global challenges in SLP education” at the 28^o BRAZILIAN SLPA CONGRESS (Sociedade Brasileira de Fonoaudiologia - SBFa) 13-16 October 2021, Brazil (hybrid event)

Also more than 80 invited presentations to different symposiums, small conferences and departments in Greece the last 15 years.
