Education

1974-1978 The University of Edinburgh
1978-1982 The University of Sheffield
1982-1984 St George's Hospital, London

Qualifications

1978 Bachelor of Science (Biological Sciences), The University of Edinburgh
1982 Doctor of Philosophy (Biochemistry), The University of Sheffield
1984 Registered General Nurse, St George's Hospital, London

Honorary degrees

2020 Doctor *Honoris Causa*, Maribor University, Slovenia

Additional training

1990 Teaching, Learning and Assessment, The University of Edinburgh
2008 Theories of Learning to Teach On-Line, Sheffield College
Learning to Teach On-Line in Practice, Sheffield College
2010 Good Clinical Practice (Online), Epigeum (updated 2015)
2011 COPE eLearning Course on Publication Ethics
2019 Certified Life Coach, Life Coach Training Institute

Membership of learned societies

1984 Chartered Biologist, Institute of Biology (until 2012)
1984 Member of the Institute of Biology (until 2001)
2000 Member of the Institute for Learning and Teaching in Higher Education (until 2007)
2001 - 2019 Fellow of the Royal Society for the Encouragement of Arts Manufactures and Commerce
2001 - 2009 Fellow of the Institute of Biology
2005 Xi Omicron Chapter, Sigma Theta Tau
2005 - 2022 Fellow European Academy of Nursing Science
2007 Fellow of the Higher Education Academy
2007 Fellow of the American Academy of Nursing
2008 - 2022 Fellow of the European Academy of Nursing Science
2009 Fellow of the Royal College of Nursing
2009 - 2015 Fellow of the Society of Biology
2009 Fellow of the Faculty of Nursing and Midwifery of the Royal College of Surgeons in Ireland (*ad eundem*)
2013 Phi Mu Chapter, sigma Theta Tau
2014 Fellow of the Royal College of Physicians of Edinburgh
2015 - 2019 Fellow of the Royal Society of Biology
2017 International Nurse Researcher Hall of Fame Sigma Theta Tau International
2018 Fellow of the National Conference of University Professors
2019 Honorary Fellow, University of Genoa Honour Nursing Society
2019 Member of the Academia Europaea

Current appointments

2023-2025 Professor of Nursing, School of Health Sciences, Caritas Institute of Higher Education, Hong Kong SAR
2022-2025 Academic Dean (part-time), School of Nursing, Southwest Medical University, Luzhou, China

Previous appointments

2023 Temporary Faculty, RCSI-MUB, Bahrain
2012 Professor of Nursing, University of Hull
2005 Professor of Nursing & Dean, University of Sheffield
1999 Professor of Nursing, University of Hull
1998 Professor of Nursing & Head of School, Dublin City University
1998 Reader in Nursing Studies, The University of Edinburgh
1997 Senior Warden, The University of Edinburgh (until 1998)
1995 Senior Lecturer in Nursing Studies, The University of Edinburgh
1989 Lecturer in Nursing Studies, The University of Edinburgh
1988 Charge Nurse, Ayrshire & Arran NHS Health Board
1987 Staff Nurse, Ayrshire & Arran NHS Health Board
1985 Freelance Researcher and Writer
1984 Project Leader, Nursing Practice Research Unit, Northwick Park Hospital, Harrow

Honorary, Visiting and other appointments

Honorary Professor, University of Hull 2023-
Associate member of staff, University of Worcester 2022-2025
Honorary Professor, Tung Wah College, Hong Kong 2021-2025
Visiting Professor, Shaqra University, Kingdom of Saudi Arabia 2021-2022
Adjunct Professor, NUI Galway, Ireland 2020-2023
Honorary Visiting Professor, University of Maribor, Slovenia 2019-present
External Assessor, Universiti Putra, Malaysia 2019-2021
Adjunct Professor, University of Technology Sydney, Australia 2018-2021
Visiting Professor, 2nd Hospital of Shandong University, China 2018-2021
Visiting Professor, University of Hong Kong, 2018-2019
Visiting Professor, Southern Medical University, Guangzhou, China 2017-2020
Visiting Professor, University of Maribor, Slovenia, 2016-2019
Visiting Professor, University of Navarra, Spain, 2016-present
Visiting Professor, Royal College of Surgeons in Ireland, 2016-2019
Visiting Professor, Affiliated Hospital of Southwestern Medical University, Luzhou, China 2015-2022
Academic Expert, King Saud University, Riyadh, Saudi Arabia 2015-2016
Conjoint Professor, University of Newcastle, NSW, Australia 2015-2020
Adjunct Professor of Nursing, Western Sydney University, Australia 2014-2019
Docenti (freelance since 2023), School of Nursing, University of Genoa, Italy 2013-present
Visiting Professor, National University of Singapore 2012-2014
Honorary Professor, 2nd Hospital of Shandong University, China 2011-2014
Academic Visitor, National University of Singapore 2011
Professor of Nursing, University of Western Sydney, Australia 2011-2014
Honorary Professor, The University of Stirling, UK 2010-present
Honorary Professor, The University of Queensland, Australia 2010-2011
Adjunct Professor of Nursing, University of Western Sydney, Australia 2009-2011
Visiting Professor of Nursing, Tzu-Chi Technical College, Hualien, Taiwan 2008-2014
Honorary Professor of Nursing, Sheffield Hospital Teaching Foundation NHS Trust 2007-2017

Honorary Professor of Nursing, Hong Kong Polytechnic University, Hong Kong 2006-2014
Visiting Professor of Nursing, Hong Kong Polytechnic University 2006 - 2017
Honorary Professor of Nursing, Hull & East Riding Community Health NHS Trust 2002-2004
Honorary Professor of Nursing, Hull & East Yorkshire NHS Hospitals Trust 2000-2022
Nursing Officer, British Forces Middle East (for three months ending 1991) 1990

Teaching

Teaching experience, including curriculum development and quality assurance, includes responsibilities ranging from module leader, course leader and programme leader across the range of student experience from first to honours years and Masters courses. Subjects have included anatomy and physiology, pharmacology, research methods, statistics, biology of ageing, dementia, and care of older people. Teaching methods increasingly include blended learning and asynchronous online teaching.

Professional and external standing

Member: Scientific Committee III. International V. National Nursing History Congress, Ege University, Turkey

Member: International Panel of Experts for the project: Community and homecare nursing: staffing and skill-mix for the safety of the public, Federazione Nazionale Degli Ordini Delle Professioni Infermieristiche, Italy

Winner: Margaret Comerford Freda Award for Leadership in Editorial Leadership in Nursing Publication, International Academy of Nursing Editors 2022

Member: National Strategic Advisory Board (SAB) to implement the *Chief Nursing Officer for England's (CNO) national strategy for supporting, developing and embedding research 2020-2021*

Visiting scholarship: University of Tasmania 2020 (awarded but not fulfilled due to Covid-19 travel restrictions)

Member of the Academia Europaea: 2019

High-end Foreign Expert Scholarship: Wuhan Polytechnic University, Hubei Province China 2018-2020

Council member: National Conference of University Professors 2018-present

Member: Phi Mu Sigma Chapter (England) Research Committee 2018-present

Vice-president: National Conference of University Professors 2019-present

International Nurse Researcher Hall of Fame: Sigma Theta Tau International (The Honor Society of Nursing) inducted 2017

Member: Council of Deans of Health Research Advisory Group, 2016-2021

Editor in Chief *Nurse Education in Practice*: I held this position with Elsevier since 2021

Fellow of the Royal College of Nursing (2009): this is the highest award that the Royal College of Nursing of the United Kingdom can award; mine was in recognition of research into the assessment of feeding difficulty in older people with dementia and advocacy of university level education for nursing. In my capacity as a Fellow, I was a member of the scientific committee for the RCN Centenary Conference 2016

Editor Nursing Open: I was the founding editor of this open access journal in 2015 and when I left in 2020 it had been included in the Clarivate journal impact factor list in 2019, the first of two open access nursing journals to be included in the list.

Fellow of the Royal College of Physicians in Edinburgh: I have been a non-physician fellow since 2014

Editor in Chief Journal of Advanced Nursing: I held this position from 2012-2020 and annually increased the journal impact factor, maintained the position of the journal as the highest cited academic nursing journal in the world and re-established it as a top-ten journal in 2019.

Editor in Chief Journal of Clinical Nursing: I held this position at Wiley-Blackwell between 2008-2011 having been Editor since 2003. Since 2003, the journal moved from being relatively obscure to being the leading UK nursing journal and 5th in the world (according to Thompson ISI) of academic nursing journals in 2007. It was the first UK nursing journal to break an impact factor of 1 and remains in the top 20 in the world. Production increased in this period from 6 to 24 issues annually and the journal is the largest academic nursing journal in the world

Fellow of the Faculty of Nursing & Midwifery of the Royal College of Surgeons in Ireland (ad eundum) (2009): this award, equivalent to a fellowship by study, was awarded on the basis of my CV

Fellow of the American Academy of Nursing (2007): I was first UK/European nurse to be elected a Fellow

Member 2008 RAE sub-panel for Nursing & Midwifery: being appointed to this position is self-explanatory in terms of prestige and influence in UK academic nursing

Member 2014 REF sub-panel for Allied Health Professions, Dentistry, Nursing and Pharmacy: ditto

Member (2010-) International Scientific Committee, Centre of Excellence for Nursing Scholarship, Nursing Board of Rome, Italy

Member (2013-) Ethical Committee of the Centre of Excellence for Nursing Scholarship, Nursing Board of Rome, Italy

Member (2013-) 2 Medical Brigade Territorial Army Nursing Research Professoriate

Member (2010) of population health, epidemiology and health services grant selection committee, Health Research Board, Ireland

Member (2013-2019) Humanities and social science panel General Research Fund, Early Career Researcher Committees, Research Grants Council, University Grants Committee, Hong Kong SAR, China

Member (2017-2019) Humanities and social science panel Prestigious Fellows Committee, Research Grants Council, University Grants Committee, Hong Kong SAR, China

Chair and member *The Lancet* Commission on UK Nursing (2013-2015)

Member (2014-16) STTI Global Advisory Forum on the Future of Nursing

President of the selection committee (2017) for the contract offer of associate professor with the profile of Nursing at the University of Girona (Serra Húnter Programme)

Member (2017) Appeal Board of Disciplinary Committee (Appeal) under the Hong Kong Research Grants Council

Member of the selection committee (2021) for the contract offer of Tenure-eligible lecturer in Nursing at the University of Girona (Serra Húnter Programme)

Research grant review: Scottish Office Chief Scientist Office; National Board for Nursing, Midwifery and Health Visiting (Scotland); Engineering and Physical Sciences Research Council; Trent NHS Executive; National Co-ordinating Centre for NHS Service Delivery and Organisation R&D; Department of Health; Leverhulme Trust; The PPP Foundation; Economic and Social Research Council; The Health Foundation; British Academy; Northern Ireland Practice and Education Council; NHS R&D Office; Northern Ireland and the Health Research Board, Ireland; The Big Lottery Fund; National Co-ordinating Centre for Research Capacity Development; Ulster Cancer Foundation; St Bartholomew's and the Royal London Charitable Foundation; Research Advisory Board; Irish Research Council for the Humanities and Social Sciences; Northern Ireland Chest Heart and Stroke Association; National Institute for Health Research Central Commissioning Facility; Alzheimer's Society; Guy's & St Thomas' Charity; National Institute for Health Research The Research for Patient Benefit Programme; RCBCWales; Epilepsy Action; Ministry of Health, Singapore; The BUPA Foundation, ZonMw Programme "From Knowledge to Action II", The Netherlands; The Open University of Hong Kong, Medical Research Council; General Nursing Council Trust; National Center of Science and Technology Evaluation, Kazakhstan; Irish Research Council; Tung Wah College, Hong Kong, Abbeyfield Society, South Wales University, Policy Innovation and Co-ordination Office (PICO) of the Government of the HKSAR

Military service: I hold the Gulf War Medal, the Liberation of Kuwait Medal and the Saudi Liberation of Kuwait medal for services as a nursing officer (RAMC(v)) with British Forces Middle East 1990-1991

Broadcasting: several research projects have been picked up by the national press and I have broadcast on BBC radio, including Medicine Now on Radio 4, four times since 1995

Expert witness: I have been used as an expert witness, based on my research and publication three times in 1998 (twice) and 2005 (once)

Government policy: Member, expert forum for the NHS Service Delivery and Organisation R&D programme (1999); Member, steering group for establishing and making appointments to posts of nurse consultant Northern & Yorkshire NHS Executive (1999-2004); Member, Department of Health national research workforce capacity programme awards committee (2002-2003); Member, HEFCE nursing, midwifery and allied health

professions research capability approval panel for nursing (2003); Member, HEFCE review panel for research capability fund (2005), Council of Deans of Health Research Advisory Group (2016-present)

External work for other universities: I have advised on Research Assessment Exercise and Research Excellence Framework, programme validations and senior appointments—Senior Lecturer, Reader and Professor—for the following universities: University of Haifa; National University of Singapore; Chinese University of Hong Kong; Hong Kong Polytechnic University; Medical University of South Carolina; University College Dublin; University of Western Sydney; University of Nottingham; University of Manchester; Swansea University; Manchester Metropolitan University; Napier University; University of Stirling; Nottingham Trent University; University of Southampton; University of Dundee; University of Salford; University of Edinburgh; University of Hertfordshire; University of Huddersfield; University of Ulster; Newcastle University NSW, Australia; Europa Universidad Valencia, Spain; University of Jordan; Robert Gordon University, Trinity College Dublin, Cyprus University of Technology, University of Girona, University of Southampton, Anglia Ruskin University; University of Leuven, Belgium, Anglia Ruskin University, University of Surrey, University of Woollongong, Hong Kong University of Education; King’s College London; Clare College, Cambridge; University of Alberta, Canada; Al al-Bayt University, Jordan; Tung Wah College, Hong Kong SAR, China; University of Eastern Finland; Southern Cross University, Australia, Zarqa University, Jordan; Jordan University of Science and Technology, Jordan

Refereeing and reviewing

 2023-2027 Member International Advisory Board *Slovenian Nursing Review*
 2023- Member Advisory Board *International Nursing Insights (INI)*

Academically related experience in the community

1987-92	Territorial Army Nursing Officer, Royal Army Medical Corps (v)
1992-12	Reserve Nursing Officer (RARO), Royal Army Medical Corps
1993-95	Chairman of St Peter's Primary School Board, Edinburgh
1996-98	Member St Peter's Primary School Board, Edinburgh
2021-24	Charity Trustee, National Conference of University Professors

Appointments as External Examiner

Programmes

1991-94	Professional Studies II module, Care of the Elderly, Ayrshire and Arran College of Nursing and Midwifery
1991-95	BSc in Advanced Nursing, Queen Margaret College, Edinburgh
1992-95	Professional Studies II Care of the Elderly module, Forth Valley College
1995-98	Life Sciences component, Diploma and Degree Courses in Nursing, University of Surrey
1996-97	Diploma in Higher Education in Nursing, University of Ulster (for Letterkenny Regional Technical College, Ireland)
1998-01	MSc in Nutritional Support, Kingston University and St George's Hospital Medical School, London
2000-04	BSc Nursing and BSc Nursing Studies, Queen Margaret University College, Edinburgh
2002-05	Master of Nursing, Chinese University of Hong Kong
2003-06	Pre-Registration Nursing Programme, Open University
2004-07	Doctorate in Professional Studies Advancing Practice, University of Teesside
2006-15	Bachelor of Nursing, The University of Edinburgh
2007-10	Clinical Doctorate in Nursing/Midwifery, The University of Stirling
2008-09	MSc Advanced Practice, University of the West of England
2011-12	Taught Postgraduate Specialist Programme, University of Limerick, Ireland
2012-15	BSc and MSc Nursing programmes, Royal College of Surgeons in Ireland (Dublin and Bahrain programmes)
2014-16	BSc Nursing programmes, Sultan Qaboos University, Oman
2016-20	MSc Advanced Clinical Skill/MSc Advancing Nursing Practice, The University of Edinburgh
2017-21	MSc in Nursing, Aga Khan University, Karachi, Pakistan
2020-21	MSc in Dementia; MSc/PG Diploma/PG Cert in Specialist Nursing - Gerontology strand, Trinity College Dublin, Ireland

Research degrees

1998	<u>MSc (Med Sci) Dissertation</u> : A study investigating the relationship between intraoperative brain oxygen utilisation measurements and neuropsychological damage after cardiac surgery, University of Glasgow <u>MPhil Thesis</u> : Contact sensitivity in relation to allergen exposure in leg ulcer patients, University of Liverpool
1999	<u>PhD Thesis</u> : Effect of limited and unlimited chair nursing on post-operative recovery in elderly orthopaedic patients, University of Surrey
2000	<u>PhD Thesis</u> : Fatigue in the hepatitis C population, University of Ulster <u>MSc Gerontology and Geriatrics Dissertation</u> : Nurses' knowledge and attitudes towards safe mobility among institutionalised older clients, University of Malta

- PhD Thesis: Capturing the impact of patient education with type 2 diabetes, University of Liverpool
- DNSc Thesis: Risk assessment and interventions to prevent falls in older people in Taiwan, University of Ulster
- MRes Dissertation: Development of a disease specific health-related quality of life instrument for patients with myocardial infarction, Leeds Metropolitan University
- 2001 PhD Thesis: A case study of depression into two suburbs of Taipei City of Taiwan, University of Ulster
- PhD Thesis: Information needs and information seeking behaviours of newly diagnosed cancer patients, University of Ulster
- PhD Thesis: Dental care for older people: identifying those at risk of not obtaining the care they need, Northumbria University
- 2004 PhD Thesis: Misconceived and maladaptive beliefs in angina, University of York
- PhD Thesis: Does repeated exposure of nurses to patients experiencing post-operative pain affects nurses' perceptions of patients' pain? University of Bradford
- PhD Thesis: Evaluation of effectiveness of clinical assessments of student nurses, University of Glasgow
- 2005 PhD Thesis: Proactive continence care by nurses: a study of their decision-making and the evaluation of an educational intervention, University of Ulster
- PhD Thesis: Nursing home care for elderly people in Taiwan: a process of forced choice, Leeds Metropolitan University
- 2006 MPhil Thesis: Improving the quality of written parental information in febrile convulsion: a randomised controlled trial, University of Dundee
- PhD thesis: The legitimate role of the medical-surgical staff nurse in Jordan: the view of patients, doctors and nurses, Kings' College London
- PhD thesis: The mechanisms of biological nurturing, Canterbury Christ Church University
- PhD thesis: Person-centred nursing: the development and testing of a valid and reliable nursing outcomes instrument, University of Ulster
- 2007 PhD thesis: An exploratory study of using discrete choice experiment technique in nursing. An application to ascertain the views of community nurses when dealing with alternative pressure ulcer preventive treatment (care plans) for elderly at risk, Cardiff University
- MPhil thesis: Health related quality of life in children and their parent/carer, University of Manchester
- PhD thesis: Healthcare professionals' experiences of applying presumed consent legislation in organ donation in three European countries: a phenomenological study, Napier University
- PhD thesis: A comparison of the Stanford model chronic disease management program with pulmonary rehabilitation on health outcomes for people with chronic obstructive pulmonary disease in the northern and western suburbs of Melbourne, Australian Catholic University
- PhD thesis: Can Manuka honey be used effectively as a desloughing agent in wound management? National University of Ireland, Royal College of Surgeons in Ireland, Ireland
- 2008 PhD thesis: Interprofessional attitudes of health care students: A longitudinal study, King's College London
- PhD thesis: An experimental study comparing conventional methods with computer assisted learning to teach a clinical skill to a student nurse group, King's College London

- EdD thesis: Of bedpans and ivory towers: the discursive construction of the nursing academic, Open University
- EdD thesis: Bioscience knowledge and the registered nurse: an exploratory study of nurses starting a nurse prescriber course, Newman University College, (University of Leicester) Birmingham
- PhD thesis: Evaluation of a nurse-led intervention (SNA ↔ P) to improve patients' experiences of chemotherapy-related nausea and fatigue, University of Stirling
- 2009 PhD thesis: Urinary incontinence in nursing home care, Universiteit Maastricht
- PhD thesis: For first time mothers: social support, maternal parental self-efficacy and postnatal depression, University College Cork, Ireland
- PhD thesis: Awareness of malnutrition in healthcare: the Dutch perspective, Universiteit Maastricht, The Netherlands
- PhD thesis: An examination of maintaining nasogastric feeding for stroke patients: a mixed methods design, Edinburgh Napier University
- PhD thesis: The effect of repositioning 3 hourly at night, using 30 degree tilt, on the incidence of pressure ulcers, in elderly hospitalised patients at risk of pressure ulcer development: A pragmatic, multi-centre, open label, prospective, cluster randomised controlled trial for the prevention of pressure ulcers, Royal College of Surgeons in Ireland, Ireland
- 2010 PhD thesis: A comparative study of mid-life, women nurses working in the NHS and UK care homes, University of Surrey
- PhD thesis: Interprofessional attitudes of health care students: a longitudinal study, King's College London
- PhD thesis: Nursing students' psychosocial development, King's College London
- PhD thesis: Medication Adherence: Development and Testing of an Instrument in Patients with Coronary Artery Disease, University College Cork, Ireland
- PhD thesis: An action research approach to improve nursing practice in nutritional care across two health care organisations: connections between group processes and organisational systems, University of South Australia, Australia
- 2011 PhD thesis: Competence to practice on deployed military operations: preparing nurses for their role, University of Surrey
- PhD thesis: Using action research to improve nursing practice in nutritional care, University of South Australia, Australia
- DProf thesis: Dynamic complexity, invisible nursing: the construction of age-related complexity by registered nurses working in mental health services, Teesside University
- PhD thesis: Determinants of functional decline in community-dwelling older adults, The University of Edinburgh
- PhD thesis: Motivations, migration and experiences of Black African nurses in the United Kingdom, University of Hull
- PhD thesis: Illness representation, treatment beliefs and the relationship to self-care in heart failure, Canterbury Christ Church University
- PhD thesis: An empowering curriculum, Teesside University
- 2012 PhD thesis: Heel pressure ulcers: a study of wound healing, University of Leeds
- PhD thesis: A group intervention to reduce burden and symptoms of depression in informal dementia caregiver, National University of Ireland, Cork, Ireland
- PhD thesis: Adherence therapy for hypertension, University of East Anglia
- PhD thesis: Professional, ethical and legal conflicts in British military healthcare practice, University of Hull
- PhD thesis: In how many ways can one age successful? Patterns of wellbeing in the Lothian Birth Cohort 1936, University of Edinburgh

- 2013 MScRes dissertation: A self-management algorithm for people with type 1 diabetes participating in moderate intensity exercise in laboratory and real-life environments, Edinburgh Napier University
PhD thesis: Management of chemotherapy-induced nausea and vomiting: a pilot randomised controlled trial using Nevasic audio programme, University of Manchester
PhD thesis: Foot health in older people - Development of a preventive, evaluative instrument for nurses, University of Turku
- 2014 PhD thesis: Malnutrition in nursing home residents in the Netherlands, Germany and Austria, Maastricht University, The Netherlands
PhD thesis: Effectiveness of educational intervention about sedation assessment and management on patient and nursing outcomes, University of Malaya, Malaysia
PhD thesis: Combining motivational and volitional interventions to promote physical activity and fruit & vegetable intake: a single blind randomised controlled trial with Spanish university students, King's College London
- 2015 PhD thesis: 'Fit for registration'. Mentor judgements and decision making regarding student competence in practice: a mixed methods study, University of Huddersfield
PhD thesis: Multilevel and structural equation models in health services research: application to research on the organizational context of nursing care, Katholieke Universiteit Leuven
PhD thesis: Non-parametric item response theory applications in the assessment of dementia, University of Edinburgh
PhD thesis: What influences decisions students make in selecting texts to support learning in anatomy and physiology? Anglia Ruskin University
PhD thesis: Translation, validation and comparison of three behavioural pain assessment tools for patients who cannot communicate, The University of Edinburgh
- 2016 PhD thesis: Maintaining the patency of fine bore nasogastric feeding tubes in adults, University of Southampton
DNP thesis: A 'before and after' study of nursing students' self-assessed competence in identifying the needs of older patients in hospital using an educational workbook; with validity and reliability testing of competence measures, Queen's University Belfast
MRes Thesis: Death rattle: a systematic review of the literature and an investigation into risk factors for death rattle development in the dying patient, University of Western Scotland
- 2017 PhD thesis: Co-creating person-centred learning and development experiences with student nurses in practice through action research, University of Ulster
PhD thesis: Perception of Riyadh community towards nursing profession and its impact on the shortage of local nursing workforce in Riyadh, Anglia Ruskin University
PhD thesis: Examining the biofilm development within fine-bore nasogastric tubes used by adults and exploring the nursing perspective of tube management, University of Southampton
- 2018 EdD thesis: Contextualising Capability: How we identify and recognise capability in registered nurses undertaking the Postgraduate Certificate in Neonatal Intensive Care, University of Tasmania
- 2019 PhD thesis: Improving meal times for people with dementia in the acute care setting: a mixed methods study, University of Southampton

- PhD thesis: An exploration of the outcomes and experiences of people living with cognitive impairment and intracerebral haemorrhage: a mixed methods approach, The University of Edinburgh
- 2020 PhD thesis: Practical significance of item response theory model misfit, University of Groningen, The Netherlands
- PhD thesis: The theoretical construction and measurement of writing self-efficacy, University of Manitoba, Canada
- PhD thesis: Nurse-to-nurse collaboration between hospital and primary health care on older people nursing care – Model, instrument and results, Turku University, Finland
- 2021 PhD thesis: Development and feasibility testing of an intervention for promoting self-care behaviors among individuals with hypertension in Karachi, Pakistan, Aga Khan University, Pakistan
- PhD thesis: Development of a Nurse-led Family-based Intervention for Adults with T2DM in Primary Health care of Bahrain, RCSI University of Medicine and Health Sciences
- PhD thesis: The Role of Organizational Culture in Job Satisfaction among Nurses Serving in Rural Areas of Punjab, Pakistan, University of Agriculture, Faisalabad, Pakistan
- MPhil thesis: A mixed methods study exploring the use of an annotated exemplar in an undergraduate nursing subject University of Wollongong, Australia
- PhD thesis: Workplace Stress in a National Health Service Dementia Unit: The Experiences of Health Care Assistants, Anglia Ruskin University
- 2022 PhD thesis: The impact of a preceptorship program on the competence and confidence of newly graduated nurses in Saudi Arabia: A mixed methods study, University of Sheffield

Internal examination of research degrees

- 2001 PhD Thesis: Determinants of job satisfaction of doctors and nurses in organized settings (hospitals and health centres) in Muscat Governorate, Sultanate of Oman (University of Hull)
- 2002 PhD Thesis: Charterism and charterization within health services: a public choice analysis of the implementation of patients' charters in England and Hong Kong (University of Hull)
- 2004 PhD by publication: Elder abuse and the construction of a social problem: an enquiry (University of Hull)
- 2009 PhD thesis: Advancing nursing? Master's level nurses in Jordan (University of Sheffield)
- 2015 PhD thesis: From bench to bedside: The development of a location indicating nasogastric tube (University of Hull)
- 2016 PhD thesis: An RCT to determine an effective skin regime aimed at improving skin barrier function and quality of life in those with pododermatitis in Ethiopia (University of Hull)
- PhD thesis: A mixed methods study of the factors associated with HIV testing among young people in Saudi Arabia (University of Hull)
- 2020 PhD thesis: Barriers and levers to hand hygiene practice among Nigerian health workers: a mixed methods research study (University of Hull)

Research grants (* indicates Principal Investigator)

- 1994 £3690 (6 months) from National Board for Nursing, Midwifery and Health Visiting (Scotland) for a postal survey and multivariate analysis of perceptions of caring

- 1995 £2500 (6 months) from Nuffield Foundation for a longitudinal study of the development of perceptions of caring in relation to personality and coping strategies in student nurses (with Deary IJ)*
- 1996 £69968 (2 years) in collaboration with colleagues (Norman et al) from King's College London from National Board for Nursing Midwifery and Health Visiting (Scotland) to investigate reliability and validity of measures of clinical competence among student nurses in Scotland
- 1997 £4222 (2 years) from National Board for Nursing, Midwifery and Health Visiting (Scotland) to investigate the impact of Master's preparation on nursing career development (with Whyte D)
- 1999 £17000 (1 year) from NHS Research and Development Levy for a study of feeding and dementia (with colleagues from Southern Derbyshire Mental Health Trust)
- £119898 (2 years) from English National Board for Nursing, Midwifery and Health Visiting for an evaluation of the effectiveness of educational preparation for cancer nursing and palliative care (with Porock D Topping A)*
- 2000 £2500 (1 year) with from Faculty of Health Research Support Fund (University of Hull) for a systematic review of methods of nutritional assessment (with Green S)
- 2001 £39715 (1 year) from Joseph Rowntree Foundation for a study into nurses over 50: options, decisions and outcomes (with Manthorpe J)*
- 2002 £498000 (3 years) from Cancer Research Campaign for a randomised, controlled study of the psychoneuroimmunological effects of relaxation therapy and guided imagery, alone and in combination, in patients with colorectal cancer (Study Advisory Group member with Walker LG *et al*)
- £13900 (9 months) from Northern and Yorkshire Regional NHS Office for a systematic literature review of prison health care (with Hostick T Walsh M Stimpson A)*
- £107753 (2 years) from Department of Health in collaboration with colleagues (Norman et al) from King's College London, Royal College of Nursing, University of Luton and London School of Hygiene and Tropical Medicine from Department of Health for an evaluation of NHS cadet schemes
- £15000 (6 months) from Alzheimer's Society for a thematic analysis of the Food for Thought questionnaire (with Manthorpe J)*
- £70000 (2 years) from Help the Aged for the Help the Aged intermediate care programme for older people (with Manthorpe J)
- £68763 (9 months) from the Nursing and Midwifery Council for an independent evaluation of the Nursing and Midwifery Council's quality assurance model (with Hogston R Norman IJ Sanderson D Baulcomb S)*
- 2003 £55954 (2 years) from Sure Start in Northern Lincolnshire to evaluate selected community health care for children and families within the Sure Start area in North Lincolnshire and North East Lincolnshire (with Colquhoun D Gillen K Rouse S)*
- £5450 (1 year) from Higher Education Funding Council for England for an interdisciplinary investigation into the experiences of part-time students (with Draper P Parker J Keys P Gregory W)
- £415047 (£189771 (3 years) from European Community European Social Fund; £228275 Public Matched Funding) for a study of discrimination in the workplace: older nurses in the NHS (with Wray J)*
- 2004 £4217 (1 year) from the British Academy for a longitudinal cohort study of burnout and attrition in nursing students in Hong Kong (with Deary IJ Thompson DR)*

- £397000 (3 years) from Kingston-Upon-Hull City Council for an evaluation of the Free School Meals Programme (project management team with Colquoun D et al)
- 2005 £14995 (6 months) from Chief Scientist Office, Scottish Office for a longitudinal study of stress and psychological morbidity in nurses and student nurses in Scotland (with Deary IJ)*
- £247000 (3 years) from Department of Health/Amateur Swimming Association for an evaluation of Swimming for Health in Hull and East Riding (with McNaughton L HNI Consultants et al)
- £189897 (2 years) from NHS Education for Scotland for an evaluation of pre-registration fitness for practice programmes, NHS Flying Start in Scotland and the development of a data platform for future evaluation (with Lauder W Johnson M Topping K Porter M McKenna E)
- Euro 82110 (3 years) from Instituto de Carlos III for Spanish version of the Edmonton Symptom Assessment (ESAS): Cross-cultural adaptation and validation in cancer patients and implementation in clinical practice of the ESAS in a university hospital (with Centeno C Carvajal A Martinez M Arantzamendi M)
- 2006 £5099 (1 year) from The British Academy for a longitudinal study evaluating student nurses' perceptions of the ethical basis of teaching spirituality and spiritual care (with McSherry W Gretton M Draper P)
- 2007 £15000 (6 weeks) from the Department of Health for exploring the case for a national centre of excellence in widening participation in learning in the public services (with Albutt G Hostick T)*
- NT\$ 1,143,000 (3 years) from Taiwan National Science Council for effectiveness of music interventions on behavioral and psychological symptoms, feeding problems, and salivary cortisol of older adults with dementia (with Sung C)
- 2008 £15197 (3 months) from Yorkshire and the Humber Strategic NHS Authority for nursing skill and the primary care agenda (with Albutt G)*
- £17300 (6 months) from the Leverhulme Trust for Leverhulme Visiting Professorship for Professor Li-Chan Lin, National Yang Ming University, Taipei, Taiwan*
- 2009 £45000 (6 months) from NHS Yorkshire and Humber for investigation into failure to rescue deteriorating patients – a national telephone survey (with Moore T)
- £20000 (6 months) from NHS Yorkshire and Humber for Evaluation of preceptorship models (with Albutt G)*
- 2010 £4560 (12 months) from Faculty of Medicine, Dentistry and Health Research & Innovation Fund for using the Edinburgh Feeding Evaluation in Dementia (EdFED) scale in acute care (with Ingleton C Reid D)*
- £9208 (5 months) from University of Sheffield Knowledge Transfer Rapid Response Fund for implementing the Edinburgh Feeding Evaluation in Dementia (EdFED) scale in acute care*
- 2013 £1000 (2 months) from RCN Society of Orthopaedic and Trauma Nursing for A review of Acute limb compartments syndrome and peripheral neurovascular deficit (with Ali P Santy J)
- £111765 (24 months) from Burdett Trust for Nursing for Nursing for Humanising Services: A new transferable leadership strategy for improving 'what matters to older people' to enhance dignity in care (with Galvin K, Cowdell F, Ersser S)
- 2014 Aus\$24750 (12 months) from University of Western Sydney Partnership Grants for Feeding at end-of-life for people with advanced dementia: An exploratory study of decision-making (with Wilkes L, Cioffi J, Fleming A)
- 2016 £183857 (3 years) from Burdett Trust for Nursing for Supporting Transition and Retention of newly registered nurses (STaR Project) (with Wray J, Barrett D)*

2020 HK\$638,337 (3 years) Institutional Strategic Grant from Caritas Institute of Higher Education, Hong Kong for Academic resilience in undergraduate students: an international longitudinal study (with Smith GD, Cross W, Lai VK-w)

Development Grants

- 2006 £13128 (9 months) from University of Sheffield Department Innovation Fund Scheme for the development of postgraduate e-learning programmes within WUN (with Ellis LB)
- 2008 £2000 from British Council for developing collaborative links with nursing institutions in Taiwan (with Hayter M)
- 2021 £5000 from University of Hull Impact Acceleration Fund – 2021 (with Wray J, Barrett D)

Research degree supervision (to completion)

Graeme Smith PhD (1997) Counselling in inflammatory bowel disease (University of Edinburgh) (NHS funded)

Elaine Haycock-Stuart PhD (1999) Sense and Susceptibility: How mothers view accidental injury risk and develop safety strategies for pre-school children (second supervisor; University of Edinburgh) (NHS funded)

Ros Derham MPhil (2001) Pain management for elderly patients following hip fracture (University of Edinburgh) (NHS funded)

Katrina Banningan PhD (2003) Evidence-based practice in occupational therapy (University of Hull) (NHS funded)

Prathana Langkarpint PhD (2005) The development of advanced practice nursing in Thailand: passage and process (University of Hull) (Funded by Payap University, Thailand)

Hayley Dugdall MPhil (2005) An investigation of qualified nurses' attitudes surrounding the use of evidence when selecting wound care procedures (University of Hull) (NHS funded)

Mohammed Ali Alghamdi PhD (2007) Knowledge, attitude and practice of hospital of senior and middle management towards health care quality programmes in Eastern Saudi Arabia (University of Hull) (Saudi Arabian government funded)

Wendy Barker PhD (2008) Enhancing independence and the quality of life of older people through intermediate care - a mixed methods evaluation

Cristina Oroviogicochea PhD (2008) A realistic evaluation of the impact of a computerised information system on clinical practice: the nurses' perspective (University of Sheffield) (Funded by Clinica Universitaria de Navarra, Spain)

Clare Whitfield PhD (2009) Moving home: an exploration into the experiences of older people returning home from hospital (University of Hull) (self-funded)

Silvia Corchón PhD (2009) The development, implementation and evaluation of a strategy to enhance nursing research in clinical nursing: a realistic evaluation study (University of Sheffield) (Funded by Clinica Universitaria de Navarra, Spain)

Samantha Debbage PhD (2009) Do integrated care pathways improve patient outcome? (University of Sheffield) (NHS and self-funding)

Ana Carvajal PhD (2010) A Spanish version of the Edmundson Symptom Assessment Scale: translation, cultural adaptation and validation studies in advanced cancer patients (University of Sheffield) (University of Navarra funded)

Samira Al Senany PhD (2010) An exploration of the attitudes, knowledge, willingness and future intentions to work with older people among Saudi nursing students in baccalaureate nursing schools in Saudi Arabia (University of Sheffield) (Saudi government funded)

Azam Torabi PhD (2011) The development and course of heart failure after a myocardial infarction (University of Hull) (NHS funded)

Mahmoud Taher Al Kalalkeh PhD (2011) Enteral nutrition in the critically ill. A mixed methods study of adherence to evidence-based protocols, nursing responsibility and teamwork (University of Sheffield) (Funded by Jordanian Government)

Wafaa Al-Johani PhD (2012) The effects of teaching strategies on Saudi nursing students' critical thinking and academic performance: PBL versus traditional teaching (University of Sheffield) (King Abdullah Scholarship Programme funded)

Rana Al-Awamleh PhD (2012) Pressure ulcer prevalence in critically ill patients: a descriptive study of the impact of nursing care and hospitals' facilities on pressure sore prevalence in Jordanian intensive care units (University of Sheffield) (Funded by Jordanian Government)

Mansour Alyami PhD (2013) Leadership style and organizational commitment among nursing staff in Saudi Arabia (University of Sheffield) (Funded by Saudi Ministry of Health)

Yanhua Chen PhD (2015) Developing and validating a scale to study mentors' behaviour in nursing education (University of Hull) (Funded by Luzhou Hospital, China)

Tzu-Pei Yeh PhD (2015) The Relationship between Personality and Job Stress, Burnout, Satisfaction and Resilience in Taiwanese Cancer Nurses (Self-funded)

Amanda Lee PhD (2017) A case study of presentation and survival in gastroesophageal cancer in local neighbourhoods (University of Hull funded)

Alvisa Palese PhD (2019) Maintaining self-feeding independence in residents with cognitive decline living in nursing homes: findings from a mixed-method multicentre study design (Self-funded)

Clare O'Connor PhD (2020) School-based mental health promotion: provision, perceptions and future requirements (Self-funded)

Xiaolei Zhao PhD (2020) Development and Feasibility Testing of a Webpage-Based Diabetes Education in Adolescents with Type 1 Diabetes Mellitus in China (Funded by Southwest China University Hospital, China)

Salma Abdul Rehman PhD (2020) Developing and testing a brief intervention for feeding difficulty in older adults with dementia (Funded by University of Hull PhD Scholarship)

Kampanart Chaychoowong PhD (2020) The duration and influencing factors of patient delay among pulmonary tuberculosis patients in a high burden area, Thailand (Thai government scholarship)

Helen Sisson PhD (2021) Vaccination Timeliness in Preterm Infants (University of Hull funded)
